Viste le deliberazioni della Commissione unica del farmaco nella seduta del 29 febbraio 1994, con cui alcune confezioni di farmaci preconfezionati prodotti industrialmente sono stati inseriti tra i prodotti dispensabili nella fascia "A" del Pronturario terapeutico nazionale e la successiva deliberazione nella seduta del 13 febbraio 1995;

Decreta:

Art 1.

Alle confezioni di farmaci preconfezionati prodotti industrialmente di cui all'allegato n. 1, che fa parte integrante del presente decreto, sono attribuiti i numeri di autorizzazione indicati nello stesso allegato.

Fermo restando le modalità di codifica del numero di autorizzazione all'immissione in commercio previsto dalla normativa vigente ed al fine di identificare i prodotti di cui trattasi al numero di AIC espresso in base 10 si aggiunge dopo la nona cifra la dizione "/G", mentre resta invariata la codifica del numero di AIC espresso in base 32.

Art. 2.

Le confezioni dei farmaci preconfezionati prodotti industrialmente di cui all'allegato n. 1, prodotte nelle officine indicate nel decreto ministeriale 8 novembre 1993 dovranno essere poste in commercio con etichetta e foglio illustrativo redatti in conformità agli standard che il Ministero provvederà ad autorizzare, su proposta della Farmacopea italiana, per quanto di competenza, fatte in ogni caso salve le disposizioni vigenti, con particolare riferimento alle modalità di indicazione dei numeri AIC.

Le ditte titolari dell'AIC sono autorizzate a mantenere gli attuali stampati, in attesa della pubblicazione degli standard di riferimento nella *Gazzetta Ufficiale* che avverrà con cadenza semestrale a partire dal 31 dicembre 1995.

Entro novanta giorni dalla pubblicazione delle indicazioni suddette nella *Gazzetta Ufficiale*, le ditte titolari dell'AIC dovranno utilizzare gli stampati nei lotti di produzione, ferme restando la possibilità di dispensazione al pubblico dei lotti già prodotti fino a scadenza della validità degli stessi.

Le ditte stesse dovranno far pervenire entro trenta giorni dalla pubblicazione delle indicazioni suddette nella *Gazzetta Ufficiale*, al Ministero della sanità, copia dei nuovi stampati, sia su supporto cartaceo che su supporto informatico, unitamente ad una formale autodichiarazione ai sensi di legge, a firma autenticata del legale rappresentante che gli stampati soddisfano quanto riportato nel presente articolo.
